May Saints of the Month

St. Philip Neri
Feast Day: May 26
(Picture located at Sacred Heart)

At an early age, Philip abandoned the chance to become a businessman, moved to Rome from Florence, and devoted his life and individuality to God. After three years of philosophy and theology studies, he gave up any thought of ordination. The next 13 years were spent in a vocation unusual at the time—that of a layperson actively engaged in prayer and the apostolate.

At the urging of his confessor, Philip was ordained a priest and soon became an outstanding confessor himself, gifted with the knack of piercing the pretenses and illusions of others, though always in a charitable manner and often with a joke.

Some of Philip’s followers became priests and lived together in community. This was the beginning of the Oratory, the religious institute he founded. A feature of their life was a daily afternoon service of four informal talks, with vernacular hymns and prayers. Giovanni Palestrina was one of Philip’s followers, and composed music for the services. The Oratory was finally approved after suffering through a period of accusations of being an assembly of heretics, where laypersons preached and sang vernacular hymns!

After spending a day hearing confessions and receiving visitors, Philip Neri suffered a hemorrhage and died on the feast of Corpus Christi in 1595. He was beatified in 1615 and canonized in 1622.

St. Dominic Savio
Feast Day: May 6
(Picture located at St. Augustine)

So many holy persons seem to die young. Among them was Dominic Savio, the patron of choirboys.

Born into a peasant family at Riva, Italy, young Dominic joined Saint John Bosco as a student at the Oratory in Turin at the age of 12. He impressed Don Bosco with his desire to be a priest and to help him in his work with neglected boys. A peacemaker and an organizer, young Dominic founded a group he called the Company of the Immaculate Conception which aided John Bosco with the boys and with manual work. All the members save one, Dominic, would, in 1859, join Don Bosco in the beginnings of his Salesian congregation. By that time, Dominic had been called home to heaven.

As a youth, Dominic spent hours rapt in prayer. Even in play, he said that at times, “It seems heaven is opening just above me. I am afraid I may say or do something that will make the other boys laugh.” Dominic would say, “I can’t do big things. But I want all I do, even the smallest thing, to be for the greater glory of God.”

Dominic’s health, always frail, led to lung problems and he was sent home to recuperate. He died on March 9, 1857, after receiving the Last Sacraments. Saint John Bosco himself wrote the account of his life. Some thought that Dominic was too young to be considered a saint. Saint Pius X declared that just the opposite was true, and went ahead with his cause. Dominic was canonized in 1954. His liturgical feast is celebrated on May 6.

The 4th grade class completed a lesson on Jesus' first Beatitude - "Happy are the poor in spirit, for theirs is the kingdom of heaven." They asked their teacher if they could create "Blessing Bags" for those in need. Everyone submitted items for the students to make 24 bags with deodorant, socks, snacks, hand sanitizer, chapstick, and many other items.
